

1. Open your preferred internet browser and go to [e.primaris.org](http://e.primaris.org) and follow the “Paychex Timesheet” link. You can also access the timesheet website directly at <https://paychex.central servers.com>.
2. The Primaris Client ID is **12057812** (also found on [e.primaris.org](http://e.primaris.org)).
3. Your L0gin ID is your first initial followed by your last name (i.e. John Smith would be jsmith). It is not case sensitive.
4. The default password is the same as your L0gin ID except the first two letters are upper case, (i.e., John Smith would be JSmith). This part IS case sensitive.

**NOTE:** You will be prompted to create a new password after your first login.

5. Once you are in, you will see the Stratustime employee dashboard (image below).

6. The Stratustime system has 6 key buttons.
  - **Actions** (Enter Time)
  - **Schedules** (Not currently used)
  - **Time Off** (Request time off and view PTO balance)
  - **Messages** (Not currently used)
  - **Time Card** (Approve/Submit time card)
  - **Reports** (Print time card)

7. To enter time, click on the **Actions** “Enter Time” button.

- Your timesheet will open. There are three different timesheet tabs at the top. Please use the **Matrix Entry** view as it is the most user-friendly view.

14. To submit/approve your timesheet for the pay period, click on the **Time Card** button on the main dashboard.

- Review your hours to make sure they are correct and that each day has the appropriate **Labor Level/Org Units** code. Also make sure that the **Type** column matches the **Org Units** code as well (see highlighted rows below). The **Type** must match the **Org Units** code.
- If everything looks correct, click **Approve All** at the bottom left to approve the entire timesheet. You can also click the **Approval** check box to the left of each line to approve each line individually. It will tell you know at the top of the screen that it is approved. To leave this screen and return to the main dashboard, just click anywhere outside of it.
